SAN DIEGO, CALIFORNIA 92111

An enjoyable evening of entertainment . . .  
an opportunity to make a meaningful contribution  
to the youth of San Diego!

Yes — it is a fund-raiser. But we truly believe this one is the most enjoyable one and the most Fun you will have all year while contributing to a tax-deductible foundation.

We hope this is to be the first of an annual fund-raising event with contributions going towards the funding of scholarships for worthy San Diego County students.

The program we will present is truly outstanding. Our Master of Ceremonies is the professional and very talented Bob Regan who was formerly with KFMB-TV and is now associated with the San Diego City School System. Bob will emcee a two-hour variety show made up of outstanding acts and talent from each of the four-year colleges in our County. Dr. Henry Kolar, Director of the School of Music at USD will add his unique touch to see that the show moves in a professional manner — and, we should add, also, that USD is contributing the use of their Camino Hall Theatre which accommodates up to 1000 persons comfortably.

More fun! After the show, a champagne reception for our “stars of the evening” will be held in the adjoining dining room and a brief ceremony will be held honoring the originators of the Foundation, especially Mrs. Meta W. Bruce and Miss Ruth K. Kern.

Our “black tie” event of the year will be liberally covered by the social editors, and all sponsors and patrons will be listed in our printed keepsake program.

The Foundation is most happy to report that all the talent, the theatre, reception, arrangements for the program and all that goes toward putting on a “black tie” event is by donation. Thus, our first fund-raising attempt by this method has everything going for it!

The Foundation has received excellent encouragement and support from all segments of the business and professional community and we are deeply grateful if you have already been a part of this contribution. Simply stated, the monies derived from our February 27 “Showcase for Talent” will go toward the Foundation’s main objective: that of encouraging young people to seek education beyond high school and foster scholarly achievement by making honor awards to outstanding students graduating from the public and non-public high schools of San Diego County . . . as well as providing financial assistance to deserving San Diego County students for attendance at local accredited institutions of higher education.

It should be noted that in 1970 \$20,000 was allocated in scholarships and aid to 70 students now enrolled in area colleges. Your response to our February 27 “Showcase of Stars” will assure us an even greater success in meeting our scholarship needs in 1971.

*And the nicest part of all — remember — all  
contributions are fully deductible for income tax purposes!*
